MWViewfinder

the photographers

Because the studio is a working studio, we are obliged to apply strict conditions for hire to third parties as it is necessary for us to continue to service our own regular clients with the minimum of disruption. The following conditions apply:

1. The following rates are applicable. Half day rate (4 hours) \$400 + gst and the day rate (8 hours) \$800 + gst. The minimum hire time is four (4) hours. All additional time is charged at \$ 100.00 (plus GST). Rate is for studio space only. Lighting equipment is available for hire on request or you are welcome to bring your own.
2. Coffee and tea making facilities are included in the hire rate, but cutlery and crockery is limited. If your crew is large we recommend that you arrange to bring additional items. A microwave and a conventional oven are available as well as a small fridge. Some freezer space can be made available by arrangement.
3. An additional loading fee of \$300.00 per day (or part thereof) applies if the studio is booked for a Saturday or Sunday.
4. A non-refundable 50% deposit is required at the time of booking for the facilities and this must be received no less than 72 hours prior to the required date of use. If the deposit is not made the booking will not be secure. Payment in full is required at the completion of the shoot.
5. The cycloramas will be presented ready for shooting on the first day. Should repainting of either the white or black cycloramas be necessary prior to any subsequent photography, additional fees apply and must be paid at the completion of the hire.
6. Damage caused by the hirer or their staff or contractors to any equipment made available from our studio will be the hirer's responsibility for repair by our nominated repairers. An estimate for such repairs will be obtained at the time of the occurrence and payment made directly to the repairers. Any shortfall will be subsequently invoiced to the hirer or a refund made if the cost is less than the estimate.
7. Staff from our studio will be on the premises at all times to assist with initial set up and equipment familiarization and troubleshooting. Staff are not available as photographers' assistants.
8. The period of hire commences at the pre-arranged time as agreed when the booking is made. Access to the studio or make-up areas prior to the arranged time will not be permitted.
9. Smoking is strictly prohibited in all areas of the studio complex.
10. Limited parking is available. Three car spaces can be provided, but as the building has other businesses operating from it, patrons and visitors are requested to seek parking on the street where possible, unless otherwise arranged.
11. As Hirers are bringing their own clients/personel onto the the premises, it is classed as a 'Third Party Usage'. Hirers need to have their own Public Liability insurance for a minimum of \$10,000,000. which is the standard minimum coverage for most businesses. All you need to do is contact your insurance company and ask them to email or fax us your 'CERTIFICATE OF CURRENCY' indicating the required cover. Give us a call if you have any queries on this.
12. Goods are stored at the sole risk and responsibility of the hirer who shall be responsible for any and all theft, damage and deteriorations of the goods, and shall bear the risk of any and all damage caused by flood or fire or leakage or overflow of water, heat, spillage of material from any other space, removal or delivery of the goods, pest or vermin or any other reason whatsoever including acts or omissions of the Owner or persons under its control. Deliveries and removals from the Studio's space will not be permitted by any person other than the hirer unless they give permission or written instruction to MWViewfinder. They must identify themselves and provide written authority for the persons' authorised to enter the space.
